

### Seeking a Christ-Centered, Grace-Oriented Preacher

We are prayerfully seeking a preacher who is Christ-centered and grace-oriented. This role may be part-time or full-time, depending on the applicant's needs and availability.

### About Our Congregation

- **Established Roots:** Our church family has been serving Canyon, Texas since 1969. We are a close-knit congregation of approximately 50 members.
- **Location:** We're located on the northern edge of Canyon, a city of 15,000 just 12 miles south of Amarillo (population 200,000). The cost of living here is relatively low compared to most cities across the country.
- **Community Highlights:** Canyon is home to West Texas A&M University and serves as the gateway to Palo Duro Canyon State Park. We're also 100 miles north of Lubbock, where Texas Tech University and Lubbock Christian University are located.
- **Facilities:** Our building is well-maintained and recently renovated. The auditorium seats approximately 140, with an adjoining fellowship hall that allows for expanded seating when needed. A small church office is available. There are no separate classrooms.
- **Leadership & Preaching:** We are shepherded by **2 elders** and supported by **3 deacons**. Historically, we've been served by part-time and appointment preachers. Currently, visiting ministers from Amarillo preach on the 4th and 5th Sundays—a tradition likely to continue unless our elders deem it best for the congregation. Capable preachers within our congregation assist with preaching and teaching responsibilities.

### Worship & Study

- **Sunday Schedule:**
  - 9:45 AM – Intergenerational Bible Study
  - 10:30 AM – Worship Service
- **Wednesday Evenings (7:00 PM):** We rotate formats including singing nights, sermons, Bible discussions, and occasional video lessons. Women actively participate in discussions, though they are not discussion or presentation leaders.
- **Music:** Worship is a cappella, led by two men on rotation. While instruments are not used in worship, our congregation does not hold a strong doctrinal stance for or against their use.
- **Technology:** We use PowerPoint for song slides, and preachers are welcome to incorporate technology into their sermon presentations.
- **Livestreaming:** Our Sunday morning worship service is streamed live on Facebook.

### Fellowship & Outreach

- We host a monthly fellowship meal, typically on the second Sunday.
- Our congregation supports a variety of mission efforts—from local outreach to the homeless in Amarillo to worldwide outreach through Christian Relief Fund and other organizations.

### Beliefs & Welcome

- We practice baptism by immersion for the forgiveness of sins.
- We are a welcoming church family, open to visitors from all backgrounds.
